Round 2 Trailhead Thailand Enduro Series
Chet Khot-Pong Konsao Natural Study
and Ecotourism Center, Saraburi 20-21 August 2016

Letter from Thailand Enduro Series

Hello racers,

Thank you all for joining our second round of the Thailand Enduro Series 2016 at Chet Khot-Pong Konsao Natural Study and Ecotourism Center. We have had a great success on the first round at E-to with a full house. We couldn't thank you enough for the tremendous support!

There will be 4 Special Stages which are short but punchy. The trails are jungle style with tight tree, rooty in some sections, and watch out for random rocks! There might be a chance of rain so things could get slippery with some mud.

This round the Liaison Stages climb will not be as long and tough as E-to in Round 1. There will be a lunch break after the Special Stage 2, so as soon as you finish Special Stage two please proceed to the restaurant (see map). Every riders will enjoy the 2 hours Liaison 2/Lunch break and don't forget to be on time for the Special Stage 3 Start!

I hope you will enjoy this round!

Nawaphansa Yugala
Race Director
